STUDIES IN SONG (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2018. Paperback. Condition: New. Language: English. Brand new Book. Studies in Song by Algernon Charles Swinburne Five years beyond an hundred years have seenTheir winters, white as faith's and age's hue, Melt, smiling through brief tears that broke between, And hope's young conquering colours reared anew, Since, on the day whose edge for kings made keenSmote sharper once than ever storm-wind blew, A head predestined for the girdling greenThat laughs at lightning all the seasons through, Nor frost or change can sunderIts crown untouched of thunderLeaf from least leaf of all its leaves that grewAlone for brows too boldFor storm to sear of old, Elect to shine in time's eternal view, Rose on the verge of radiant lifeBetween the winds and sunbeams mingling love with strife. 2. The darkling day that gave its bloodred birthTo Milton's white republic undefiledThat might endure so few fleet years on earthBore in him likewise as divine a child;But born not less for crowns of love and mirth, Of palm and myrtle passionate and mild, The leaf that girds about with gentler girthThe brow steel-bound in battle, and the wildSoft spray that flowers aboveThe flower-soft hair of love;And the white lips of wayworn winter smiledAnd grew serene as spring'sWhen with stretched clouds like wingsOr wings like drift of snow-clouds massed and piledThe godlike giant, softening, spreadA shadow of stormy shelter round the new-born head. 3 We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is...
